I, D. Williams Master of the S. S. Abo' do solemnly, sincerely and truly swear that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Carthagena & Lemon from which port said vessel has now arrived; and that on the best of my information and belief, it truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of which they are citizens, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. *So help me God.*

D. Williams,

# District of the City of New York, Port of New York.

I, W. G. Cockhart Master of the S.S. Bronia do solemnly, sincerely and truly Swear
that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York is a
full and perfect list of all the passengers taken on board the said vessel at Glasgow from which port said vessel has now arrived; and that
in said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the
country or citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who
have died on said voyage, and the dates and causes of death and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so far as
it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. *So help me God.*

I, John Deaken Master of the Ship Alexandria do solemnly, sincerely and truly Swear that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York is a full and perfect list of all the passengers taken on board the said vessel at Havana from which port said vessel has now arrived; and that on said list is truly designated the age, the sex and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement so far as it can be ascertained with reference to the intention of each alien passenger as to a protracted sojourn in this country.
